Testing Environment:
All submissions will be tested on Python 3+.

Late Submission Policy:

No late submissions are allowed. However, if you barely miss the deadline, you can get partial points upto 24 hours. The percentage of points you will lose is given by the equation below. This will give you partial points up to 24 hours after the due date and penalizes you less if you narrowly miss the deadline.

Total marks = (Actual Marks you would get if NOT late) x [1 - hours late/24]

Late Submissions (later than 24 hours from the due date) will result in zero points, *unless you have our prior permission or documented accommodation*.
